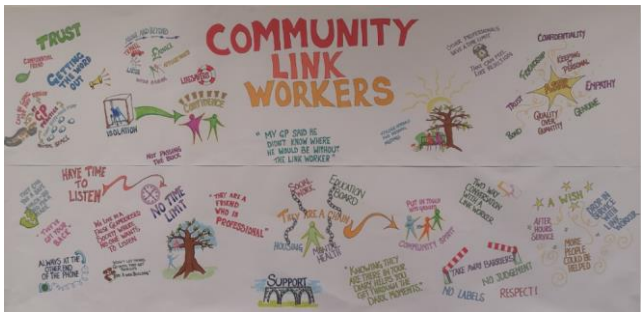
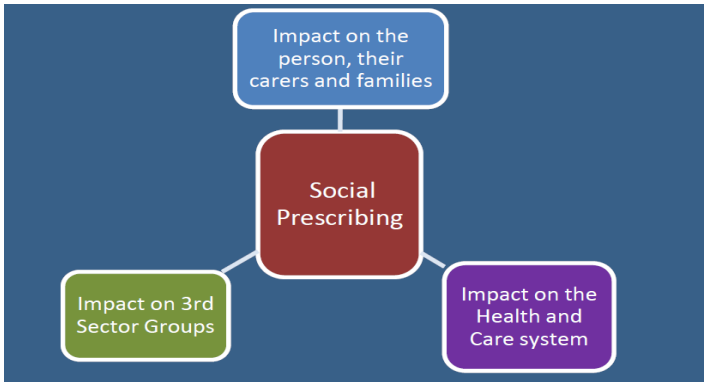
NEW SERVICE COMING TO YOUR GP PRACTICE

COMMUNITY LINK WORKERS



What is a Community Link Worker (CLW)?

A CLW is a professional who will help support your health and wellbeing through talking to you to identify worries and concerns. They are not a counsellor but will listen to you and help you access support and services which can make a difference to your life. This is called social prescribing.



If you would like to know more about this service and how it will work at your GP practice, please join us at one of our virtual information events on:

- **Thursday 6th May at 6.00 – 7.00pm**
- **Friday 7th May at 2.00 – 3.00pm**

Please register on the following link and you will then be sent joining instructions: https://bit.ly/3m3OtiM
